OLGA TURRINI BERNARDONI

Professional Film Makeup Artist and Hair Designer

ABOUT ME

And I am a seasoned Makeup & Hair Designer with over 30 years of experience in film, TV, series, commercial shoots, and fashion. My fascination for arts and aesthetics and my attention to detail drive me to create the perfect look for every occasion and intention. Let's bring your vision to life through Makeup Design!

Born in Colombia in the heart of an Italian family, I have always been inspired by Arts and driven by aesthetics since I was a child, and this fascination led me to work as a model in High School and while completing my College degree.
