## PROFESSIONAL SUMMARY

I am a highly motivated individual with a demonstrable vocation for service and a proven ability to effectively respond to emergency situations. My strong judgment allows me to proactively prevent and skillfully manage incidents within public environments. I am seeking a challenging and long-term position where I can leverage these aptitudes and continue on a path of professional growth. My commitment to continuous learning is evidenced by my current part-time work schedule, which allows me to dedicate time to ongoing professional development and the acquisition of new knowledge and skills. I am eager to contribute my abilities to an organization that values professional advancement and offers opportunities for expanding my expertise.

## WORK EXPERIENCE

Octubre 2024 - Abril 2025

**Lifeguard, Álvarez Arguelles /Hotel Grand Brizo BA/ Spa Estado Puro**, CABA

A hotel/spa lifeguard's key responsibilities are **vigilant swimmer supervision, proactive accident prevention, swift emergency response (including first aid), and ensuring adherence to safety regulations**. They also provide **guest assistance and information** and contribute to maintaining a **clean and safe pool environment**. Teamwork with other staff is crucial.

Diciembre 2024 - Febrero 2025

**Lifeguard, Uthgra Del Viso**, Buenos Aires

- In a large facility with three pools, ensuring the safety of our swimming guests is my top priority.
- Ensuring the safety of our swimming guests is my top priority.
- This requires constant and attentive supervision across all areas to proactively prevent accidents.
- Effective teamwork is absolutely essential in this environment.
- We coordinate closely with fellow lifeguards to strategically distribute our presence across the different pools, ensuring comprehensive coverage.
- We also establish clear communication protocols for rotating our positions, allowing for sustained focus and minimizing fatigue.
