**Application as an Aesthetician, Spa Therapist and Massage
Therapist 100%.**

Ladies and Gentlemen,

my name is Claudia Dueñas, I am Spanish and I would like to work on your cruise. I have successfully completed my studies of Advanced Technician in Integral Aesthetics and Wellness at Academia Grupo 7 (Granada, Spain). In the last year of my studies I enjoyed an Erasmus programme in Ireland focusing on massages and facial treatments. Two years ago I decided to work as an au pair in Lörrach (Germany) for ten months. I took advantage of this time to complete an intensive German course and reach level B1. Now that I have finished my studies, I am motivated and enthusiastic to find a job.

As a beautician, I have worked in different environments, which has allowed me to acquire skills in facial and body treatments (manual and apparatus), massages, hydrotherapy, drainage, advanced depilation and general wellness.

Without a doubt, my best letter of introduction is my Instagram profile (claudg.beauty), which I created with all the treatments I've done during my internship over the last two years. I invite you to take a look at it. My availability for work will start from August 2024 with full availability.

I hope to have the opportunity to contribute to your team. I am very adaptable and a hard worker, as I have demonstrated over the years in various professions. I have the ability to learn from other people's experiences and talents to support and advance my work as a beautician. I would be happy to be part of your team, bring my new way of understanding aesthetics and always learn something new. If you need more information, please do not hesitate to contact me. I would be happy to conduct an on-line interview and, if necessary, to travel to get to know each other better.

Thank you in advance for your time and attention.

Best regards,

Claudia Dueñas
