Dear Hiring Team,

I am writing to express my keen interest in joining your team on board as either a Front Desk Assistant or a Barber/Hairdresser.

With a strong background in both customer service and personal grooming, I bring a unique combination of a warm professional attitude and hands-on skills, ideal for working in a multicultural, guest-focused environment.

I have one year of experience as a barber and hairdresser, offering a variety of grooming services with attention to detail, hygiene, and personalized care. In addition, I have worked at the front desk of hotels, where I welcomed guests, managed reservations, and ensured high levels of guest satisfaction. These roles have taught me the importance of communication, empathy, and adaptability.

I am enthusiastic, always eager to learn and committed to continuous improvement. I value the work opportunity to work with people from around the world and contribute positively to the atmosphere and service on board.

I would be honored to be part of your team and bring my skills and positive energy to your cruise line.

Thank you for considering my application. I am available for interviews at your convenience and would welcome the chance to discuss how I can contribute.

Warm regards,
Iñaki Urtasun

Urtasun Iñaki.
