

RICARDO ANDRÉS MEJÍA CELIS

Physical education teacher

PERSONAL PROFILE

Physical education teacher specializing in Sports Training from the University of Applied Sciences (UDCA) and a Professional in Physical Culture, Sports, and Recreation from the Santo Tomas de Aquino University. I am knowledgeable in developing classes for different groups of children, as well as in the execution and planning of sporting events. I am knowledgeable in different sports and motor skills, and I understand the benefits of physical activity in improving sports performance and people's quality of life. I am also capable of coordinating and managing different tasks, all focused on the field of sports performance, recreation, and people's health. I am characterized by my ability to work in a group, lead activities, solve problems, and propose alternatives to achieve goals. I consider myself a responsible person with a solid academic, intellectual, human, and professional background in sports, recreation, and health.
