Letter of recommendation for work

Kind regards.

Through this medium, I wish to introduce and recommend the candidate Zoe Aldana Ríos Peressini. I declare that I know him academically and can confirm that he is a proactive, exemplary, and dedicated student with the potential to develop new skills and deepen his knowledge in various educational areas.

By examining your record of grades, recognitions and other academic history between the months of AUGUST-SEPTEMBER... Of...2024, it is possible to verify what is referred to here.

I would like to express my gratitude in advance for considering this recommendation during the selection process. Without further ado, I bid you farewell, wishing you every success.

kind regards,

Martin Rivero
Director
