

Lucas AMIL

Architecture Student

Highly committed individual with solid skills in critical thinking and root cause analysis. I stand out for my exceptional organization, decisive decision-making and discipline, ensuring high quality results. As a self-taught professional, I am proud of my punctuality, responsibility and ability to cultivate positive interpersonal relationships. My commitment to excellence is reflected in my willingness to take on new challenges, with a proactive approach and an open attitude towards continuous learning and personal development.
