I am a dedicated professional with experience in Room Services, looking for an opportunity in the Customer Service area. I stand out for my effective communication, empathy and ability to work in a team, which allows me to serve and understand the needs of customers efficiently. My previous experience has provided me with great adaptability to face various challenges, always maintaining a focus on customer satisfaction. I am committed to providing exceptional service and positively contributing to the success of the team.

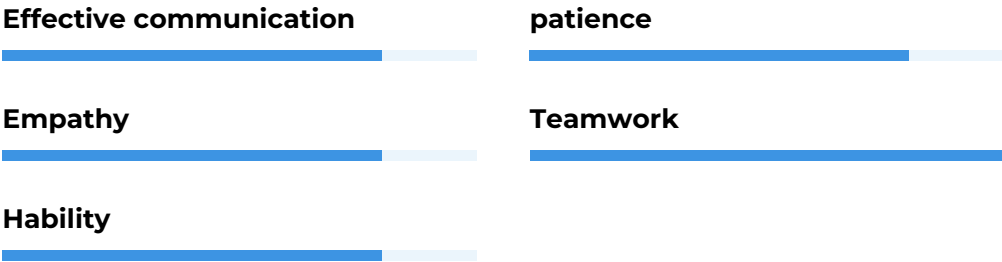

Experience :

ene 2024 - presente

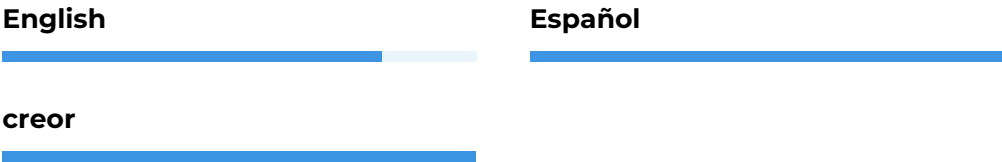

ROOM SERVICES
Telephone operator, Punta cana
I work at a hotel in Punta Cana called Aqua Live. I'm starting work on January 13th. I'm going to be working for the company for a year.

The reason I'm resigning is that I'd like to work somewhere else and have a new experience, and I've always wanted to work on a cruise ship.
