ABOUT ME

Certified Cosmetologist and Clinical Assistant with 7 years of work experience. I am passionate about customer service, and my personality is what defines and distinguishes me. The love and dedication I put into my profession make me stand out. I am a firm believer in miracles and in the power we humans have to change, improve, and grow because that is what we seek: evolution.

COSMETOLOGY/ CLINICAL ASSISTANT

Health & Medic Clinic

I worked with highly qualified surgeons in performing aesthetic procedures, including:

- Primarily focused on post-operative treatments (liposuction, abdominoplasty, mommy makeover, chin liposuction, Bichat fat removal, fibrosis treatment, etc.).
- Assisted in outpatient treatments (procedures performed exclusively by doctors).
- Sales of general and specialized aesthetic treatments, as well as home-care support products.
- Patient evaluation for specific treatments.
- Personalized facial and body treatments.
- Follow-up with patients undergoing doctor-prescribed treatments.
- Treatments performed with cutting-edge technology (Venus).
- Management of cash register, POS terminal, and scheduling.

• 12/2020 - 12/2021

COSMETOLOGY

Velvaere

Primarily focused on post-operative treatments (liposuction, abdominoplasty, mommy makeover, chin liposuction, Bichat fat removal, fibrosis treatment, etc.).

- Post-operative treatments performed with manual lymphatic drainage, ultrasound, pressotherapy, and radiofrequency.
- Design of personalized treatments.
- Specific body treatments using wood therapy (maderoterapia), vacuum therapy, lipolaser, cavitation, radiofrequency, Colombian cups, electrostimulation, pressotherapy, and endermologie.
- Specific facial treatments performed with Hydrafacial technology, radiofrequency, HIFU, IPL, Hollywood Peel, and Dermapen.
- Sales of treatments and home care products.
- Patient follow-up.
- IPL and Diode Laser hair removal.
- Management of cash register, POS terminal, and scheduling.
