Beauty & Nail Spa 02/2017 – Present

---

• Own business since 2017 with regular clients and salary balance. Responsible for the correct administration of the business: rent in order, customer service, purchase of supplies, marketing and advertising on social networks; understanding from an early age the responsibility and commitment that comes with a job that generates income without losing rhythm or salary balance. • Extensive experience developed in the aesthetics field with different types of clients, sympathy, education and empathy above all with the client. For 7 years I worked in different well-known beauty salons in the west zone, south zone and CABA, Buenos aires. Certified professional in beauty and skin care. Currently certified for teaching in the aesthetics field, with graduated students.
