

JAZMIN PERDOMO

I am Jazmín, a Hostess with more than a year of experience in the hospitality area, where I worked for different prestigious networks such as Único Hotels and NH Hotel Group. My mission is to provide quality and personalized attention to guests and clients, ensuring their satisfaction and loyalty.

My skills are mainly focused on guest satisfaction, team work and continuous training, among others.

I am passionate about traveling and learning different cultures, which have let me develop a unique empathy, kindness and rapport. I am a bilingual English/Spanish speaker and my goal is to continue growing professionally, and add value to the company wherever I work for. During 2022 I had worked as a sales advisor for Adidas Argentina, delivering an amazing performance in retail.
