OBJETIVE

- My goal as a hairdresser is the search for excellence in the area and the most efficient service, I am able to manage styling services up to 15 haircuts a day with the best quality, in order to motivate the person to improve their appearance, in each service to live an unforgettable and satisfactory experience for my customers .

LABORAL EXPERIENCE

With the experience of approximately 10 years, I acquired the skills to give haircuts to women and men. I also acquired knowledge to perform different styles of hair cuts, for example:

Military haircut, Classic haircut, Tapper, Fader, Mullet, Bob, Pixie, Symmetrical, Millimetric and Asymmetrical.

On the other hand, I have experience in doing bleaching, Keratin and hair dyes.

PERSONAL INFORMATION

- I have a great ability to adapt to all types of environments and always contribute the best of me. I am characterized by my ease in teamwork and my enthusiasm for learning and developing my skills. Looking for a job opportunity where I can gain more experience.
- I am a person who strives at all times to guarantee customer satisfaction. I have extensive professional experience and solid knowledge of the sector. I have the ability to work both in a team and independently, depending on the needs I look for the opportunity to demonstrate my capabilities in a company.
- Person with extensive experience in the sector, capable of assuming responsibilities and making decisions with solvency. I have good communication and customer service skills. I am looking to develop professionally.
- Always looking to learn new skills, take on additional responsibilities and grow professionally.
