

## ABOUT ME

I've built a diverse career in holistic wellness and entrepreneurship. My project, Savia Selva, highlights my dedication as a therapist offering services across countries like Argentina, Colombia, Spain, and the UK. Through teaching yoga, leading alternatives event in Popayán, Colombia. Promoting the benefits of massages and helping individuals recover and relax with various physical techniques. Additionally, I've worked in a spa complementing my skill set, providing a well-rounded understanding of wellness and beauty practices. As an entrepreneur, I have ability to sell self-care products and manage client relationships. I'm enthusiastic a healthy life style, travelling and selling, I'am consistently striving to give my best in all my endeavors, nurturing my knowledge
