EXPERIENCE

December 2023 – June 2024

ILDA RELAX SPA

At the spa on the island of Providencia, during my time as an employer, I was in charge of welcoming clients, both locals and tourists. My job was to identify the patients' muscular discomfort and proceed to perform massages that relieved the pain or, failing that, offer relaxation massages. In addition, I had the responsibility of performing waxing and was trained in different massage techniques, including therapeutic massage, relaxation massage and sports massage. My approach was always aimed at providing a personalized service that met the specific needs of each client, ensuring their satisfaction and well-being.

August 2023 — November 2023

IMECOL S.A.S Palmira, valle

At IMECOL S.A.S, during my professional practice in physiotherapy, I was in charge of promoting occupational health through the implementation of active breaks for workers, promoting physical well-being and injury prevention. I carried out ergonomic inspections of workplaces to identify and correct risk factors that could affect the health of employees. In addition, I provided rehabilitation to workers with injuries, applying specific treatments for their speedy recovery. I also held educational talks on health and safety issues at work, aimed at preventing injuries and promoting healthy habits.

August 2022 — May 2023

HOSPITAL RAÚL OREJUELA

At the Raúl Orejuela Hospital, during my physiotherapy practice, I was in charge of caring for pediatric patients in internal consultation, providing detailed physiotherapy evaluations and designing individualized treatment plans. My work included the application of therapeutic techniques to improve the mobility, strength and motor development of patients, always adapting treatments to the specific needs of each child. Additionally, I maintained constant communication with the medical team and family members, ensuring a comprehensive approach to the care of the pediatric patient.

May 2019 – January 2021

MOTO REPUESTOS ORFILIA

My main responsibilities included direct and personalized attention to customers, ensuring efficient and friendly service when searching for motorcycle spare parts. In addition, I managed inquiries and requests, both in person and by telephone, providing information and placing orders through calls, and coordinating home deliveries. I was also responsible for cash management, recording daily sales, processing cash payments and issuing invoices.

Additionally, I managed inventory control, guaranteeing the availability of products and the correct supply of the stock.
