WORK EXPERIENCE

Sales at Freeshop

Aerolineas Argentinas, Jan 2023- Dec 2023

In the role as a sales representative at Aerolíneas Argentinas, I specialize in international sales, providing expert assistance to customers from various countries. I maintain flexible working hours, possess a positive demeanor, and excel in collaborative team environments. Unfortunately, due to governmental changes, the duty-free shop underwent a workforce reduction. Despite challenges, I remain dedicated to delivering outstanding service.

Hairdresser

Jungla peluqueria, Feb 2021, present.

I am a part time employee in the capital of my city as a hairdresser. I am in charge of customer service, accomplishing all the works we offer at the salon. Due to the location where the salon remains I also have to manage to be in touch with feroing people. This experience has further honed my communication skills and cultural sensitivity.
