

# CAMILA ANTONIA SOTO VARGAS

## COSMETICIAN

*I have completed comprehensive training in the area of cosmetology and makeup, in which I acquired solid knowledge about facial care techniques, social/artistic makeup and also about different cosmetic products. I have mastery in different facial and body treatments, also I manage different equipment such as radiofrequency, cryolipolysis, pressotherapy, microdermabrasion, laser for body hair removal, etc.*

*My approach as a professional focuses on enhancing the natural beauty of each client, using treatments that suit every client's needs and their unique characteristics.*

*I am a person with good interpersonal relationships and a good team player.*

*I always have the best disposition to carry out my work and to learn new knowledge.*
