PROFESSIONAL PROFILE

Cosmetology technician with 10 years of experience in the field of national and international hairdressing, skilled in handling the different beauty trends in haircuts, hair coloring, and makeup. I perform with professionalism and dedication, capable of performing my work with responsibility and commitment. I enjoy taking on new goals, facing each challenge with the conviction of overcoming it. I have a knack for interpersonal relationships, which helps me maintain a positive relationship with my clients.

WORK EXPERIENCE

I am a full-service stylist. I have worked on each person's personal image, using different types of hairstyles and makeup for events such as graduations, weddings, and social gatherings. During my professional experience, I have been able to develop and update myself in different haircutting techniques for men and women, as well as in the chemical aspects of hair, such as its composition and conditions, as well as in hair coloring techniques (highlights, balayage, illuminations, highlights, Californian highlights), and in keratin treatments (progressive straightening).
