PROFESSIONAL PROFILE

A comprehensively trained physician to diagnose and treat the most common pathologies affecting the community, with extensive knowledge in health promotion and disease prevention. Practical, proactive, and humane, I consider myself a person who always seeks the physical, mental, and spiritual well-being of all patients, viewing health as a whole. Excellent ethical, scientific, and humanistic training, with leadership skills and full self-awareness and confidence, I always seek the happiness of all patients and put into practice my solid training as a physician to guide the community under my care to achieve health and well-being.

STUDIES

Secondary Education *: Institución Educativa Normal Superior “Montes de María” —*

San Juan Nepomuceno

Degree Obtained *: Academic Bachelor with emphasis on education*

Higher Education *: Faculty of Medicine, University of Cartagena.*

June 2007 – June 2013

Degree Obtained: General Physician with emphasis on family medicine
