

# Paolo Morales

Bilingual engineer with extensive experience in language teaching, tourism, hospitality, and customer service, primarily catering to European guests.

Three years of experience in the tourism industry in San Pedro de Atacama, Chile, working as a receptionist, tour sales agent, and bilingual tour guide.

Skilled in guest reception and assistance, managing bookings, selling tours, and ensuring high-quality customer experiences.

Led tours in both English and Spanish through the most iconic destinations of the Atacama Desert.

Certified English teacher (TEFL) with expertise in personalized instruction for business English, general English, and international exams, both in-person for companies in Buenos Aires and remotely for professionals in Chile.

Three years of international experience in the USA, Canada, and Australia, studying English and working in agribusiness, grape harvesting, and temporary roles in tourism and hospitality, including waiter, cook, and hostel reception positions.

---

## WORKING EXPERIENCE IN TOURISM

### RECEPCIONIST - TOUR SALES AGENT.

SAN PEDRO DE ATACAMA, CHILE | 2014 - 2017

- Responsible for guest check-in and reception at Hostel Talar, ensuring a warm and attentive welcome.
- Provided recommendations on local attractions and activities.
- Sold and managed personalized tour packages tailored to guests' needs.
- Handled reservations and guest inquiries through Hostelworld and Booking.
- Processed payments for accommodations and additional services.

### FREELANCE BILINGUAL TOUR GUIDE.

SAN PEDRO DE ATACAMA, CHILE | 2016 - 2017

- Organized and led guided tours to iconic destinations such as the Tatio Geysers, Altiplanic Lagoons, Valley of the Moon, Cejar Lagoon, Puritama Hot Springs, and the Atacama Salt Flats.
- Provided detailed explanations about the demographics, flora and fauna of each region visited, highlighting endemic species.
- Shared information on the history and customs of the local Licanantay communities, promoting respect for their heritage and traditions.
- Ensured the safety and well-being of tourists throughout each excursion, preventing dehydration, altitude sickness, and other issues, such as extreme temperatures.
- Managed groups of varying sizes and nationalities, adjusting the pace and information of each tour according to the participants.
- All information and stories shared were aimed at enhancing the enjoyment and overall experience of every visit.
