

ARCHITECTURE PORTFOLIO

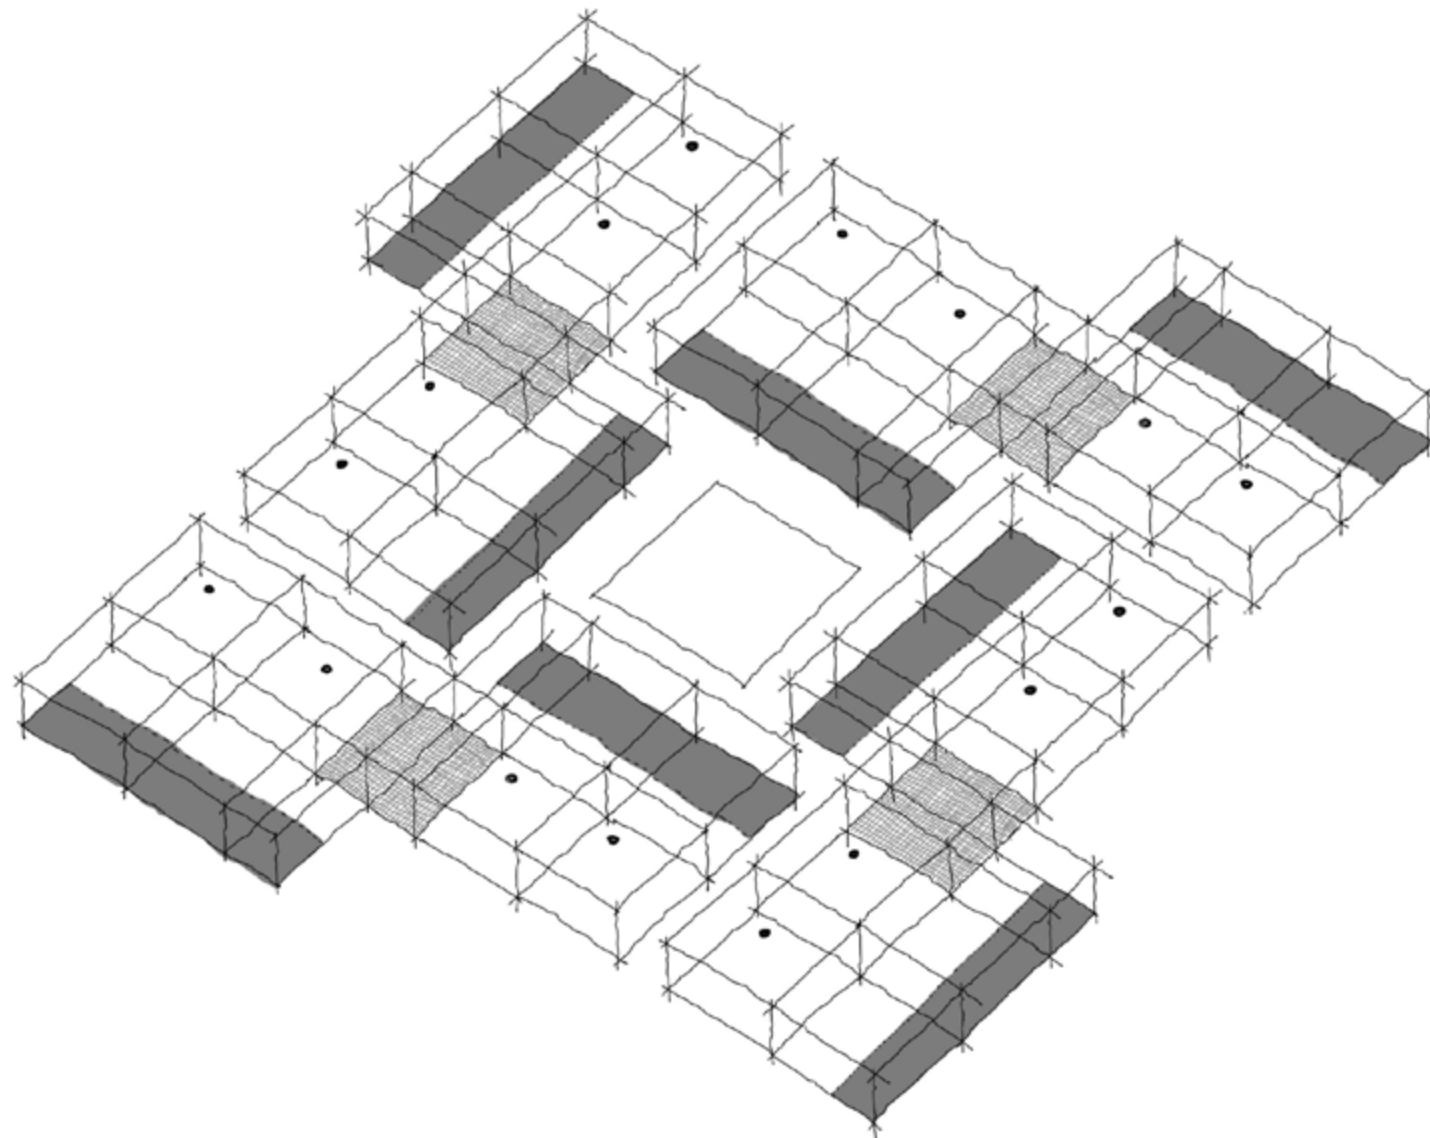

MARÍA EMILIA SCHOENEMANN

EXPERIENCE:

La Plata National University Graduate of 2022
4 years of experience

I am a 27-year-old architect specializing in residential and urban design, with a strong focus on socio-urban integration. My passion lies in creating functional, aesthetically pleasing spaces that contribute to inclusive and sustainable communities. With over three years of experience in architectural design and project management, I am committed to developing accessible design solutions that respond to the needs of diverse populations.
